

Delta Theta Omega Chapter
Delegate Report
Delegate: Ramona M. Hill

Thank you to the chapter for the opportunity to serve as a delegate to the Virtual 89th South Eastern Regional Conference.

Constitution and Bylaws Forum

- This delegate served as moderator for the Constitution and Bylaws Forum during which Soror Bonnie Murdah, Supreme Parliamentarian and Soror Martha Perine, Chief of Staff and the former Supreme Parliamentarian, presented the proposed Constitution and Bylaws amendments. The chapter will receive the official ballot to vote on the Constitution amendment in the mail. The amendments to the Bylaws will be voted on at Boule 2020 Part 2 in conjunction with the Leadership Conference in July 2021.
- Many questions were listed in the Q&A function which did not pertain to the Constitution and Bylaws amendments. These questions were captured and will be used as part of future Regional Newsletters to disseminate the information to members of the region.

Plenary I

- As a delegate for Delta Omega Chapter, this delegate was able to make the motion to adopt the Conference Standing Rules on behalf of the Standing Rules Committee.

Constitution and Bylaws Workshop

- This delegate attended this workshop and was invited by the workshop presenter to participate with Soror Bonnie Murdah, Supreme Parliamentarian to respond to participant questions. The use of MentiMeter as the engagement tool for 20 questions to participants allowed for attendees to participate without the need to unmute to engage with the presenter, Soror Renee Toomer, South Eastern Region's representative to the International Constitution Committee.

Plenary Session I, II and III

- This delegate served as parliamentary support for managing the flow of the South Eastern Region's business sessions during the virtual conference.

Reimbursement

- This delegate does not wish to be reimbursed for serving as a delegate to the 89th South Eastern Regional Conference. The opportunity to serve was the desired outcome not the reimbursement of the registration fee.
